

### ***A Readers Guide for Woman on Top***

1. Have you ever loved everything about a man except for who he is?
2. Why will one woman “stand by her man” while the next kicks him to the curb for the same offense? Why did Kate stay with Len? Would you have left him sooner?
3. Is there ever a time when a woman should trade her self-respect for security?
4. If a woman stays in her relationship despite being mistreated or lied to, is that a sign of low self-worth or resilience? How can a woman build up the courage and confidence to move on?
5. How do you spot a man that will take advantage of a vulnerable woman from a mile away?
6. Should Kate have returned the jewelry she received as gifts from Len?
7. How did Kate's experience as a widow and her relationship with Len translate to either your life or someone you know?
8. Did Kate’s journey make you reexamine your own marriage or relationship?
9. Did Kate inspire you to think of ways to “be on top” -- even if it doesn’t involve climbing a mountain?
